6 Cruises Rates

Berth Allocation Principles:

- A Cruise vessel is allocated the berth directly next to the Cruise terminal when Notification is received from Cruise line or appointed agent for the vessels call including ETA and expected duration of stay on a first come first serve basis.
- A Cruise vessel which has been declared in advance and received berth confirmation from Administration of the Port has priority over a cruise vessel call on last minute notice.
- In case of two cruise vessels calling Larnaca port at the same day/time, priority has the vessel with the highest number of passengers.
